

Instructions and Usage for the Balanced Body® Rialto® Reformer Standing Platform Extender

For use with the Rialto Reformer only.

PARTS LIST

Description	Part Number	Qty.
Rialto Reformer Standing Platform Extender Pad (to place over platform for additional comfort)	17877	1

INSTALLATION:

1. Lay the Platform Extender onto the Rialto Reformer as shown in Figure A with the tab facing the foot end of the Reformer.
2. Push the Platform Extender towards the standing platform until they touch (See Figure B).

NOTE: The Rialto Reformer Platform Extender can be used as a seat (sitting only) on the head end of the Rialto Reformer as shown below (See Figure C).

WARNING: TIPPING/STANDING HAZARD. Never STAND on the Platform Extender unless it is properly installed on the FOOT END of the Reformer and the tab is fully under the standing platform.
